15.FREEDOM IN YOGA,SPIRITUAL CAMPAIGN ,SCIENCE DIGITAL INDIA MODEL VILLAGE PLAN AND NATUREPATHY –NATURAL BIODIVERSITY MANAGEMENT AWARENESS MOVEMENT.

Every year we participating each month spiritual sangathan meeting in Haripur, Bhubaneswar mini madhuban to focus upon a topic of world interest. The aim is to attempt, as far as possible, to view this topic as the outer expression of inner causes, and to see how much light can be shed on the matter as it relates to the wider unfolding of the will-to-good within human affairs. As the higher correspondence of goodwill, the will-to-good is that dynamic loving purpose which energizes all who serve humanity, inspiring and directing the application of goodwill in their work. Supreme soul siba baba shared his talk by CD and encouraged to evaluate ourselves to involve in various thoughts and our experiences of service to our local brothers and sisters. We also provides yoga, naturopathy, cultural education at our partnership agencies in school and local level forum towards their leadership and organization development .
