

Myself Mr Sudarshan Ray, Vice- chair person- freedom very much interested to continue my leadership in this year .If we have faced a lot of crisis in this year still I was involved directly & indirectly with freedom activities and meetings for my personal brotherhood feelings for a great cause.

I realized freedom who is taking risk for area development with partnership of local people and associated agencies those are really encouraging to work with them for our areas demand and social cause of the benefits to the rural people. I hope, it will carry on this year for freedom positive action on coming future I am also giving thanks to all for your contribution , Suggestion ,visit , interaction,coordination ,networking and cooperation to our achievement without hesitation .

*With best regards*

- ☞ 3 trainers also recognized by Govt.of Odisha /NGOs forum as best trainer, R.K.Swain, R.N.Mishra and S.Sethi on SIRD, NRHM, SHG, Education and DRM.

#### **WEAKNESS:**

- > Proper attractive Documentation
- > Resource mobilization as present system / practices.
- > IGP processing/packing and marketing on specified Micro enterprises to the proper links
- > Continuous project linkages with fund/supports
- > Lack of lobby & advocacy
- > Non availabilities of committed/dedicated volunteers/workers at rural level
- > Mindset changing at present community people with cheating attitude at micro finance programme at both male /female and staff also.

#### **OPPORTUNITIES**

- ☞ Integrated village programmes adoption.
- ☞ More IEC programme demanded
- ☞ More SHGs can reform with SHC
- ☞ More leadership with MF sectors development demanded in more livelihood and employment generation programmes.
- ☞ More cultural/mass media demanded for social audit and accountability with lobby and advocacy

- ☞ 2 model village awarded 1st prize on open defecation free village & 1 Nirmal gram Puraskar /NGP highlighted in Jasuapur GP of Pipli block
- ☞ MDG planning at global focused on poverty , Health , WATSAN, employment , agriculture ,disaster, education, AIDS ,prevention ,malaria/fileria/T.B /Polio eradication ,Panchayat raj & women empowerment/human rights issues. For citizen action
- ☞ Community demand generation and active participation demanded on future self help /coping mechanism system development in all development sectors.
- ☞ Experienced human resources at office & field.

☞ Gramswaraj campaign demanded at present for panchayatiraj ownership at community /rural odisha.

**THREAT**

- > Govt. changeable schemes/policy /party
- > Antisocial people & Touts.
- > Other NGOs /MFIs different values & work approaches & not aware on same agencies
- > Staff/Volunteers/Members' inefficient work in time and project.
- > Insecurity in sustainable financial support in social devt.field.
- > Regular resource crisis/Corpus/management fund.

**BRIEF HISTORY OF THE FREEDOM PROGRAMMES:**

Above 11years completed in “women empowerment through self help” project/WETSH AND WEIGIE ,we overally achieved 44 SHGs having 574 women members were capable to realized the women issues & action oriented programmes in their self involvement in community development programmes. They are in 1st line of any project/programmes undertaken by govt. & others in their villages. i.e.clients-4, investors-6, manager-10 & enterprenuers-24They are involved in specific Micro finance schemes under SGSY,Banks, Self Help cooperativest finance programmes etc.They trained on business management and interface ,counselling & legal awareness for their better leadership.Other Federations also influenced .

They were developed 7self help savings cooperatives & SHG federation in this pipli block..The active leaders also participated in PRI campaign & leading a government with various programmes in their respective areas.

They are also nearest to PHC,banks/other financial institutions/MFIs,

**BLOCK ,DRDA, MLA, M.P & Chief Minister** in focused of “**mission shakti**” achievement .about 275 SHGs of this block also guided & reflected on their achivments .

They are capable to bargaining and mobilising resources from various schemes and block programmes/panchayatraj systems with their credibilities now -a -days.”

These dreams going to fulfill by themselves in our experienced & research project in pipli Blok . Thanks to XIM/CENDERET & DRC-RWI-Nimapara to empowered to our rural area women by given chance to us as a partner in our distirict.As demanded by SHGs federation it was extended the support of **WETSH** till **2009 year from April to June before umbrella project launching in the dist.**Now our project women are also participating in Panchayatiraj election system as **Sarapancha,Panchayatsamity Member,Zillaparishad** member and wardmember by their group works and influence in villages and panchayats.**Ms Sasmita Sethi ,Community facilitator WEIGIE** are looking after these activities since April-2010 to till today.

#### **Progress:.**

**Mr R.K.Swain,M.Secretary,freedom shared on international day's importance and its history towards active participation in community empowerment process involving our all villagers by all participants for environmental protection by massive plantation and healthy village with clean and green activities by our all participants from June-August-2011 onwards with cooperation of all deptts of Agriculture,forest and horticulture,panchayatiraj institutions for our healthy and wealthy living condition improvement in future.**

**As per our deptt.officials commitment we should contact and collect various trees and schemes for plantation,gardening,nursery,income generation programme with consultation of our JAO and JHO or Panchayat.**

**This year theme on "Biodiversity conservation " vividly shared on programme with guidelines of CES,Govt.of Odisha ,Forest and Environment deptt of Govt.of India.So,that all participants should think and realize the our environmental hazards and to protect by each members to plant the trees and sensitise the all villagers to act on it.**

**Then Mr K.C.Das also shared on importance of environment and our role of the women headed groups and families to generate the plantation in each village and areas.**

**Dr S.C.Dash also shared on community health and environmental hazard which are affecting our community life and villages.He also suggested to plant trees and save our nation.**

**Mr A.Kar also shared on community health plan and importance of women 's day to celebrate everywhere in the world in related to village and environment protection activities by NGOs and SHG/CBOs-women/school/colleges/office level/political level. He called name"Prerana" Mr Dillip Srichandan,Khordha was the plantation mirror of the society .He is taking oath and planting various trees at their regions and other places with social dedication and commitment for plantation and creating green revolution for environment protection.We should follow and learn from his commitment.**

**It can drive as common /massive plantation campaign in our areas to save our future generation by trees plantation ."Gachhatiya and Pranitiya/Jibatiya" he compared on livelihood and government new development plan ie.203 jagannath sadak extension works and removal trees and township plan .It should give importance for proper planning on environmental protection by road side plantation and village forest preservation and afforestation in each village in our all program support by NGOs and Govt./corporate and various agency/political groups etc.**

**All can follow themselves to plant every where spaces and planned areas.It can protect from flood,cyclone and hitstroke etc.So, that the planet with animals and plants**

will enrich to community people for their existence. All should give and take 1<sup>st</sup> agenda for our plantation and village cleanness and community health protection plan in our day to day plan. GKS, SHG and Panchayat can take good initiation for these plan with all demand and support from every where. Other members are shared on their plan to share and work accordingly.

Mr R.K.pradhan also shared on women role in all round development with commitment of International women's Day oath for their future generation from today itself. Next Rainy season it should remind and follow on massive plantation with all cooperation of NGOs and Govt, Panchayats for better living and green revolution is the 1<sup>st</sup> agenda at all levels for ourselves. Main suggestion was to share all GP sarapanchas to take decision on plantation more activity support in MKNREGS, GKS, DWSM, Rural devt, Women and child devt. deptt and School and Mass education level for Sanjog aviyan on it.

All should give priority on biodiversity conservation as per the plan of Govt. of Odisha and NEAC activities planned which was distributed to all. **Key achievements**

All above 5 activities and process started on effective rapport with villagers and planned activities.

- **Challenges**

Political non-cooperation from sarapancha and some persons avoided to attend the meeting due to transparency and accountability in the meeting by villagers demanded. Diverted their time and time to attend the meeting only some male WM and sarapancha at some places. Villagers have patience to face the challenges when it was shared detailed and encouraged to them. But, those are malafied intention they were not encouraged to other villagers to attend there. Some drunkard and politicians are tried to disturb and blame to us in meeting and training due to poor people's voices not maintained early in any program. Now, it is quiet visible to all people in the village s and Gp at present.

- **Innovation**

- Have there been any innovative aspects to project implementation during this month? If so, please provide a brief account of these innovations.

Ans. Yes, we have innovated to "GOONJ" New delhi for Cloth for work and other development activities ie. pond cleaning and road making programs in 7 hamlets and 4 villages by providing cloths for their demand and participation in the village works. ie. Bangarapada and Podanga, Baligaon, Alisha and Abalpur villages. Details in photo and report attached.

- **Gender Mainstreaming**

Before we have relationship on other activities in some villages during flood rehabilitation program during 2008-09. There were main leaders of SHG and ASHA, AWC, WMs and some village leaders /PRI members are known to us in our dist. level trainer conducted training by SIRD/SWAD and NRHM/Mangalpur PHC /CRD-Panchayatiraj role and responsibility, social welfare schemes training for their participation. They were met and interested to participate accordingly. Some cases not timely availed to the meeting due to other engagement of their selves.

By contact and interface, interaction and small group discussion in SHG, AWC, School, GKS, Cooperatives, focus group leaders meeting it was encouraged to women for better participation at each meeting. When it was low contact with them there are 2-3 places less attendance of women ie. Teisipur, Abalpur, Saragailo main hamlets.

**innovation in order to implement different development schemes of state Government in concern G.P. & list the beneficiary, Old & new.**

**The beneficiaries of the program was attached in each village against the village level awareness and other program at GP level. The beneficiaries report will be collect from panchayat meeting after 28<sup>th</sup> February 2011.**

educative materials.

Language:Odiya

PARTICIPANTS NAME: standing Committee Members:

Mainly Ms Snehajali Mohanty shared on Standing committee status and its function with role and responsibilities of PRI members in Pallisabha and Gramsabha for entire development of the panchayat.It depends upon attitude and cooperation of villagers to achieve the all developmental programmes with PRI representatives facilitation.Now, the Govt.of India and odisha also giving importance on Gramsabha and Pallisabha to act all plan and programmes.So,it should discuss vividly in all standing committee and share to villagers and various committee leaders in the village.

All Wms are agreed to follow the rules and regulation in next days.They were unhappy that still 4.5 yrs passed but Govt.not gave importance before to activate the committee due to our ignorance and political willingness of the Sarpancha and others.

It is important to active participation in future days for this activation.

Then Mr Swain shared the views of the villager on village awareness meeting and Govt.training reaction during 2009-11 in our odisha.Recently Govt.was declared to discuss on 25<sup>th</sup> to 26<sup>th</sup> on voters awareness and population survey in panchayat but no body was interested or demanded on it.

It should be sensitise among the villagers in future.

Then the launch was organized to them and gave thanks by Mr Purna Chandra Swain,WM for all present and participated on it at their village school. Thanks.

 GOONJ INTERVENTION IN PIPLI BLOCK:  
 WHY THIS GOONJ WORK WITH FREEDOM ?  
 After interaction with Goonj partner of Tangi Block mr SangramKeshari and Basant Jayasingh in a meeting it was most useful and encouraged to be a partner of Goonj in August'11 when I was met with team of Sangram at Patrapada,Bhubaneswar ,Bect India state chief project office.  
 Then we visited to New delhi and send the documents of freedom by email for partnership with telephonic discussion of Mr Ansu Gupta,Founder Director.  
 Then I came to known that Goonj is already started its office and working in various districts with new partners for cloth for work, school to school,rahat,sanitary napkin etc.Adhikar was shared on Goonj by Malaya apa and others.Due to our development concept in rural areas with community convergence through community based organizations ie.SHG,GKS,ASHA,Self help co-operatives, Sunday school,VDMC,Youth club etc, it was demanded by the villagers and women.

We adopted a gram panchayat in teisipur Gp of Pipli block for a model GP for Gram swaraj campaign with assisted by Odisha Gram Swaraj Aviyam samukhya /OPDSC/Hivos India. Various meetings and demand of the villagers we felt some work is lying without support of any body from govt and other sources. It can be improve and develop for a healthy environment with cleaning and making communication facilities with their labour and contribution for the cloth for work.

The villagers was decided in the pallisabha to work the road and pond cleaning in Bangarapada and podanga, Baligaon, Nirmala, Abalpur, Alisha and other villages. As per the interest the Abalpur villagers 1<sup>st</sup> ahead to bring the cloth from state office, patrapada, Bhubaneswar for their road and pond activities. We are also interested to promote a healthy environment with people's participation for their health village. Then we interested and contacted to Mr Suresh kumar with Lokanath Biswal and organized the field trip for his interaction with our field level workers, volunteers, members and villagers in various stakeholders. Before field visit we submitted the hard copies of freedom documents by speed post and by hand in both state and newdelhi office. Then confirmed to.

After visit his trip into school, villages, meetings and encouraged to work accordingly. Then we deposited the all hard copies to the

IMPACT:

- Good and healthy environment looking in the village,
- Less tension on mosquitoes biting in the Anganwadi center children and villagers,
- United effort mobilized in the village-hamlets with male and female/children,
- Interest increasing among the villagers,
- Impossible word would changed the voices among the villagers and women,
- Cloth for work is really essential for poor families into their community works,
- Better coordination and motivation in the families with other stakeholders

CASE HISTORY:

BANGARAPADA village is really neglected in the Teisipur GP from a long ago.The villager having 35 households having 110 people living with male-50 and female-60 and identified 15 BPL families in this small village.They have no road to their hamlets. They used their canal as foot way for their houses.They are nearest to NH-203 highway and see to all officials and PRIs.But they did not got their road and pond facility since last long ago. After the interaction of pallisabha by Gram swaraj campaign by freedom we came to know that they are interested and requested to a connecting road to their village and make a pond for their daily uses, need a school or anganwadi for their village children. But it goes to all facilities to nearest village to Podanga due to no voices and

unity from their village. WM is simple and SC having low voice and fear to obc and general caste people and political leaders. They could not eligible to start the road, now our interaction was encouraged and demanded to make a road by our other linkage agency "GOONJ" for cloth for work for their village reconstruction and cleanliness activities.

They realized and shared by Goonj state program officer mr Sureshji on dtd. 6<sup>th</sup> Feb'11 at Podanga anganwadi center hall with 5 village focus leaders.

Then decided to start their works in their respective village demand ie. Pond cleaning, road making and repairing etc.

Then started their works and eligible to get the cloths for themselves with all house members. Abalpur and local people interested to collect the cloth from Bhubaneswar office and distributed the cloth with selection and prepared a list with their villages.

It was really changed the scenario for their better living and communication for bringing the positive attitude for collective effort in the areas. It was spread the messages to all villages in 19<sup>th</sup> February 11 in our gender equity program with 72 village focus leaders on it.

All are interested to work on it slowly in their villages.

I hope, it will great change in future for our Goonj partnership for effective and organized effort in the future programs.

Today we are going to distribute the cloth on their participants.
